

# DEPOSIT AGREEMENT

This **NON-REFUNDABLE** deposit is a guarantee that you will show up at the agreed time for your appointment.

- Every tattooer draws and approaches each tattoo differently. Reviewing a tattooers portfolio will help you to determine if they are a good fit for you.
- If you can not make your appointment, you must cancel /reschedule at least 24 hours in advanced, with an artist not the answering machine, **or you will lose your deposit.** If you cancel your appointment you must reschedule within 2 weeks.
- If you show up at the agreed upon time the deposit will be applied to the price of the tattoo. For multi-session tattoos (sleeve, back piece, etc.) the deposit will carry over and will be credited toward the last session.
- **Please make sure you have given your tattoo artist ALL pertinent information concerning your tattoo. After the consultation and on the day of your appointment only minor changes are able to be made to the design.** Due to the amount of time and effort that each artist puts into preparing and drawing for your appointment your deposit will be considered a **drawing fee** if you decide to change the idea for the tattoo covered during the consultation.
